Vantage West Credit Union Awarded for Indirect Auto Loans

(Phoenix) – March 25 - On Tuesday March 22, 2011, Vantage West Credit Union in Tucson, AZ was presented with Arizona Credit Union League & Affiliate’s 7th annual Indirect Lender of the Year Award for 2010. The award is given to a participating credit union that shows both great progress in the application of their Indirect program as well as substantial and measurable improvements showing the increase in their numbers.

Despite the decrease in automobile lending; Vantage West continues to provide loans through Credit Union Advantage’s Indirect Lending platform.

Dixie Hill, VP of Credit Union Advantage, the Indirect Lending arm of the Arizona Credit Union League & Affiliates said “Vantage West is consistently our biggest volume lender and through their dedication, consistency and desire to serve their members they continue to outperform most other lenders in Arizona.”

Vantage West Credit Union has provided Indirect loans for approximately fifteen years and has received the Indirect Lender of the Year Award twice.

Congratulations to Vantage West Credit Union and their Indirect Lending Staff.
